*it has been years since we hung out with the Lips brothers and gang it was great times an still remembered by all, We all grew up in some sort and raised our families. Sad times as we all get older and see so may friends pass. We trust that your life as short as it was was full of joy. You will be missed by all! As they say true friends do not need to stay in touch all the time to be friends as we all know that if we are needed we would come at the drop of a dime. God Bless your family as they go thru the pains of losing a loved one. I still think you were a better bowler than TC but you 2 can argue tat out in Heaven, We miss you all.
