“ Tim you will be missed so much, I will always remember the time you came home and sandy and I where still awake all night til morning place cards and you saying your up early and we saying we haven't slept yet. The best is when you let me drive your rig and I spun the tires pulling out the restaurants driveway. You were a loving caring person always coming to family functions and to my 50th birthday. I will cherish ever moment I shared with you! I will miss you my friend. Love forever your fantasy girl .

Tim you were definitely one of the good guys. I enjoyed hearing you and Floyd laughing in the carport. You were the best dog sitter. I always knew my dog was safe and cared for by you. You will leave a void in many lives. RIP Tim.
