“ *Words cannot express how sorry I am for your loss. That is why, during times like, I try to look to the Bible for comfort. Scriptures like Psalms 46:1 and 55:22 tell us to throw our burdens on God because He wants to be there for us during our times of distress. Also, at Revelation 21:4 it tells us that God is going to do away will suffering, pain, sickness, and death in the near future. Until then, I have found that the best way to benefit from His offer of comfort is by getting to know God's personal name which is found at Psalms 83:18. I hope your loving memories of Tyler will bring you solace during this difficult time. Your family has my sincerest condolences.*
