

Vito V Mannina

April 24, 1947 - August 21, 2022

Vito V. Mannina, 75, of Lakeside, left us on Friday, August 19, 2022 to spend eternity with Lillian, his wife of 50 years. A service will be held at the Lakeview Cemetary at the family's convenience.

Vito was born on April 24, 1947. Son of the late Vincent "Jimmy" and Marie Licausi Mannina. Vito is survived by his oldest daughter, Laura, who spent much of her time caring for and loving our father, and husband Ronald Bichler; his only son, Christopher and Roberta Mannina; youngest daughter, Leigh and husband Justin Abromavage; his 8 loving grandchildren, for whom he always loved and would give the world to: Christian, Ian, Jasmine, Lillian, Gianna, Kendal, Natalia, and Julian; his brother, Louis Mannina and Joann and Dominick Mannina and Mary.

Vito, known to his friends as Vinny/Vince, but known to his family as "the myth, the man, the legend", was a strong, fierce man with a sense of humor that no other could rival. He was a Vietnam War veteran. Vito spent many years in the car business, retiring from Country Boy Chevrolet, but his true love was always writing. He is most definitely correcting his obituary right now, fixing punctuation and making the sentences smoother, and "less redundant".

Vito was a generous man who loved to do for his family, spend time on his boat the "Andiamo", & listen to music with his dog, Koda by his side. He will be greatly missed, but we find solace in knowing he is with the love of his life, our mother Lillian.

The Mannina family would like to express special gratitude for all who crossed

their paths during this sudden journey: The staff at Barnes Kasson Hospital, especially Dr. B. Patel, the nurses on the 2nd floor, and Betty Whitney, who has been a great support and longtime family friend.

Please donate to the Toys for Tots in Vito's name. He loved to give to children and others in need almost as much as he loved his family & Koda.

“ I had the privilege of working with your Dad at the Hearst corporation for many years. He was an amazing salesman and got along with everyone. Yes, a great sense of humor and the ability to cut through "corporate nonsense" and get the job done. He spoke of all of you often, and loved you very much. His role in Vietnam as a paratrooper in the intelligence division underscores your father's brilliant mind. I will hold you all in my prayers. Kathy Morsey

“ *Many happy memories of his daughter, Leigh, spending time with my daughter, Misty! It took me forever to get his famous marinara recipe and still, his was the best. He has such a great loving family and I’m sure, he’s so proud of all of his family. We are all truly blessed to have known him!* ”
