My heart is heavy and I'm at a loss for words. Wendy is a great friend to me, from over 25 years ago. I grew up with Charlie and he was a wonderful person to everyone. He's always thinking of her, when he would come up to the deli. Just wandering around , looking for something special to take to her, while he waited for their order. You are both amazing and Wendy was so happy to have you, Charlie. My prayers for peace and comfort for you, my friend. 🙏
