“ Billy D was larger than life, and an outgoing and talented father, husband, partner, brother-in-law and son-in-law. We wouldn't have a back porch if it weren't for his talents as a contractor and builder. We will always remember the Sunday family dinners with enough food for an Army and Holidays when two or three pies weren't enough. Billy was selfless, loving, and caring, and will never be forgotten. Billy's unexpected, sudden departure was shocking, and we are still trying to process the fact he has gone to join his Father in Heaven. You were loved, and we will always remember the good times. Rest in Peace Billy D.
