“ Bill was a great and close friend during 7th through 12th grades at Blue Ridge High School.

I remember him as a great laugher, and a fun person to be around. I never saw him do anything to harm another person, in word, or deed, though he was a master prankster.

We lost contact with one another after our High School day's, but I never forgot him.

I am sorry to see his early departure from life.

My thoughts and prayers are with Bill's family. I have some good memories of Bill from school. Roland was most likely thrilled to greet Bill since they were such good friends in school. Rest In Peace Bill!!!
